

Welcome to the MIDIBox Knowledge Base

If you ever wanted to build the midi controller or sequencer of your dreams, or if you want to develop your own, custom MIDIBox - you came to the right spot :)

We are working hard to improve the vast amount of information around. If you can help us, please feel free to [add or correct things](#). If you want to discuss documentation or wiki issues, please post to the [forum](#).

You need a MIDIBox-forum account to edit pages.

<box 48% left bluelight|About>

- [What is a MIDIBox](#)
- [Introduction to uCApps.de](#) - recommended reading! 98% of all newbie-questions in the forum are answered in here
- [MBHP Acronyms](#) - Acronyms and abbreviations often used here. If you don't know what AIN or BS means... just look it up before you continue!
- [References](#) - Links, Book Reviews and Specification References: Look it up!
- [FAQ - Questions and Answers](#) - Find the Answers to the most frequent questions here!
- [uCApps.de](#) uCapps.de The homepage of Thorsten Klose, the creator of MBHP & MIOS with loads of documentation

</box>

<box 48% right grey|MIDIBox Devices>

- [MIDIBox Projects](#) - MIDIBox devices like Controllers, Synthesizers, Sequencers and all sorts of different DIY-projects. You will find tutorials, manuals, descriptions and links for over 20 both official as well as unofficial user projects - for example the famous [MIDIBox SID Synthie](#), the [MIDIBox Sequencer](#) or the latest Traktor Controller...

</box>

<box 48% left blue|MIDIBox Hardware Platform (MBHP)>

- **MBHP** - the MIDIbox Hardware Platform with detailed information about available modules
- **Parts** - Where to order, part references (eg. how to connect an Encoder)
- **Basics** - How to get started, things you'll need, Soldering, Tips & Tricks
- **Troubleshooting** - If you're stuck with your modules, check on this page

</box>

<box 48% right|MIDIbox Operating System (MIOS)>

- **MIOS** - The MIDIbox Operating System
- **Tools** - Available software and special helpers required to communicate with your Box, eg. MIOS Studio
- **Application Development** - Informations for developers: Tutorials, IDE config and debug tips (C and ASM)
- **Application Development 32bit** Information for developers using 32bit Core modules

</box>

<box 48% left bluedark|MIDIbox Community>

- **Users** - Create your own page and show what you're doing with your midibox!
- **User Projects** - Add your projects, codes, pictures here! You can find a lot of cool customized boxes!
- **MIDIbox Forum** - Get involved!
