How to order the knobs

Simply edit this page and put your name, quantities, etc. on the list and update the final amount. Use your **full and correct FORUM NAME (≠ wiki name!)**, so I can reach you via PM. **Please do not edit anything else on this page.**

By putting your name on the list you agree to the terms and conditions described here:
www.midibox.org/dokuwiki/nils_bulk_terms (a little bit harsh, but I'm too lazy to write new ones. I think, you'll get the point.)

How to pay for the knobs?

I'll send you my Paypal address details via PM so you can wire me the due amount. **Instead of sending you an invoice, please fill in the total amount to be due section yourself.** I'll double check it with my spread sheet software for calculation errors at the end of the signing phase. The forum software doesn't support sending attachments, so this is the most convenient way.

Here are 2 examples how the total amount is calculated:

Joe wants to order 20x DK16 white/OPQ and 3x DK38. He lives in the USA.

$[(20 \times 1.25\text{EUR} + 3 \times 2.80\text{EUR}) + 5.5\text{EUR}] = 38.90\text{EUR} \rightarrow (38.90\text{EUR}/100) \times 5.5 = 2.13\text{EUR} \rightarrow 38.90\text{EUR} + 2.13\text{EUR} = 41.03\text{EUR}$

Tweak wants to order only 3x DK38. He lives in the Netherlands. $[(3 \times 2.80\text{EUR}) + 4\text{EUR}] = 12.40\text{EUR} \rightarrow (12.40\text{EUR}/100) \times 1.9 = 0.23\text{EUR} \rightarrow 12.40\text{EUR} + 0.23\text{EUR} \rightarrow 12.98\text{EUR}$

IMPORTANT!

Running a bulk involves work. Please think about whether you really want the knobs, whether you have the money when demanded and whether you agree on the terms stated before putting your name here. I will not send you more than one PM and I will not extend the deadlines, because you accidentally missed it for whatever reason. Instead I will strike your name off the list. I want to keep it that simple for sanity reasons. I hope you understand.

* And nao, HAPPY ORDERING AND HAVE FUN! :) - Martin aka kristal=
