====== Albs Knob Bulk Order No. 4 ====== -=CLOSED=-

Albs usually supplies large orders of knobs (and other bits). Therefore they require a large minimum order.

Giving the fact that there's so many people putting their names down for MB-6582 kits I'm guessing there will be a few more people wanting “Waldorf Knobs”. These are very nice soft-touch knobs and come in a choice of 3 opague colours. The MB-6582 uses 15 of these knobs

If you are wanting these knobs then now is the time to get your orders in.

Time Frame

I will require payment before the **21st Spetember** at the latest

I will be sending the order through at the end of the month, that's ***30th September***.

When you add your name to the list please PM me with your paypal email address, contact email address, and delivery address exactly as you want it to appear on the envelope (seperate lines for each line of your address)

Payment

I will accept payment through **Paypal current funds or card transfer**. If for what ever reason you want to use Paypal bank transfer then please PM so that we can make sure it clears in time.

Payment must be prompt as if not it will hold everybodies order up. I do not want to be chasing people for payment.

Cost

The cost of the knobs is **£0.75** each.

There will be the standard paypal fees and P&P on top of this amount.

I will require payment up front. If you are not able to manage this then let me know and hopefully I can sort something out.
