## General information

- Each PCB will cost 8.00€ (approx. 11 USD).
- Payment is accepted via PayPal or EU bank transfer only.
- Actual shipping costs (with Deutsche Post from Germany) and PayPal fees will be calculated individually (postage examples: Germany 1.50€ Europe 3.40€, Worldwide is 6.00€. Insurance or registered mail is optional and adds extra costs. So far, no package has ever been lost, so registered/insured doesn't seem to be necessary at all.
