

# MIOS

## Overview

MIOS is the Operating System of the Chip. This Page covers MIOS and the BOOTLOADER (or Bootstrap Loader).

General Informations can be found in the Intro-Article: [what is a MIDIbox](#).

**The Article [MIOS Bootstrap For Newbies](#) (also available as [MIOS Bootstrap](#) in different languages) contains important informations about how to upload MIOS - the operating system - and an application.**

Developers should consult the related project pages or [Application Development](#).

## Documentation
