

# Level 1 Headline

I love how adding headlines automatically creates a table of contents

[powersupply.bmp](#)

[tk\\_mb\\_seq\\_case\\_bulk\\_order](#)

## Level 2 Headline

<http://wiki.splitbrain.org/plugin:code2> contains nice infos about the newly supported code2 plugin!

ammeter

## Level 3 Headline

test

OK, so you need to have consecutive levels of headline, so you need level 1, then 2, then 3... and suddenly \*blam\* a TOC :)

Testing boxes: `<box>` the box contents `</box>`

<box 80% round orange|a title> the box contents</box> <box 50% left blue>the box contents</box|a caption>

see also <http://wiki.splitbrain.org/plugin:boxes>

## Test

hello world!
